

HIMSS AsiaPac10 Exposition in Beijing

Dr. Winnie Tang, JP, in her capacity of President of Internet Professional Association (iProA), has recently been invited to attend the HIMSS AsiaPac10 Exposition in Beijing on May 26-28, 2010. This year, HIMSS Asia Pac Exposition was held in 2 locations in Beijing at the Jihua Resort and the Convention Centre. HIMSS AsiaPac10 Exposition had chosen the theme: Transforming Healthcare through IT which has attracted stakeholders from both IT and healthcare industries to connect and exchange ideas to advance quality healthcare delivery through the use of IT.

HIMSS has a solid track record in the United States and it has attracted increasing number of participants every year. Dr. Tang was delighted that she has been actively involved in their activities in Asia Pacific having served as a member of the HIMSS AsiaPac Organising Committee since 2007. Dr. Tang attended the Exposition, joining participants from Asia Pacific region for intensive knowledge exchange where the best minds gathered. The great turnout this year had provided unlimited networking opportunities for leaders from healthcare, government and IT to converge and Dr. Tang is delighted to continue rendering her support to HIMSS AsiaPac.
